Cisco Names NWN Corporation Wireless Partner of the Year

Waltham, MA, Apr. 15, 2008 – Cisco Systems recently recognized NWN Corporation as its 2007 Wireless Partner of the Year for the Southern USA. The award was presented at the Cisco Global Partner Summit in Hawaii to NWN Regional Vice President of Architecture and Delivery Chris Ludwig.

At the presentation Cisco Operations Director South Stacey Betts commented, “NWN set up a mobility practice in the Carolinas that has become the shining example nationally of how to set up and manage a Cisco Advanced Technology practice. The NWN mobility practice has achieved an amazing 236% growth rate in comparable quarters from 2007 to 2008.”

Ludwig said, “Wireless is no longer “nice to have” for many of our customers; it’s a necessity. By combining our top flight engineers with Cisco’s leading edge hardware, we make sure they get what they need.” NWN CEO Mont Phelps added, “Over the next six months, we will be expanding our wireless service available to our customers across the country.”

About NWN Corporation

Headquartered in Waltham, MA, NWN Corporation provides clients with a complete range of end-to-end networking services and solutions. The company brings clients the premier products in the industry, tailored to their specific needs and situations. These include technologies from Cisco, Microsoft, HP, EMC and many others. Clients include private and public sector organizations in almost every line of work including major banks, universities, manufacturers, hospitals, and state and local government agencies. NWN solutions span unified communications; enterprise computing, including systems, wireless and physical infrastructure; data storage and business continuity; information security; and application development. Service areas include Business Solutions, Professional Services, nCare™ Managed Services and IT Staffing.

With seven branches throughout the eastern US and Texas, NWN serves clients operating locally, nationally and internationally.
