

NWN National Contract: Choice Partners

Why Choose NWN

NWN helps customers solve business problems with proven, relevant IT solutions and services. We have local and dedicated teams with deep experience in City, County and State Governments, as well as Education Agencies. Our teams plan and implement cost effective IT solutions that allow clients to easily access information and services across agencies and departments. NWN helps Government Agencies Leaders connect the dots and break down silos by simplifying the procurement process

NWN National Contract Name: Choice Partners

Choice Partners Purchasing Cooperative offers quality, legal procurement and contract solutions to meet government purchasing requirements. Choice Partners completes the legal, competitively bid government procurement process so our Customers can act immediately to access the contract they need, saving time and money on the bidding process and purchase. **Our** Choice Partners National Cooperative contract includes: Technology Products, Telecom/Collaboration Solutions, Cloud Services, Managed Services, Software, Consulting and Professional Services for today's demands.
